ETHNIC OPENNESS

The ethnical style of the Romanian folklore leaves its mark on the seasonal style. Be inspired by magnificent roses that are metaphorical symbols in the Eastern culture. If you want to slow down things, be inspired by the Slavic culture and lavish, floral design.

This necklace is an innovative blend constructed from the new Keystone Bead by CRYSTALLIZED™ – Swarovski Elements that is combined with delightful wire crocheted flower shapes.

MODERN HARMONY FEEL GOOD

Think pink and feel the colour of spring emotions. In this crocheting bracelet pink and red form light elements of circular stripes that bring you well-being and feel-good. A layer of crystal with the new

Aquiline Bead by CRYSTALLIZED™ – Swarovski Elements resembles a petal from a flower.

KNITTING SOFT & EASY FLOWERS

A knitted clutch cotton bag in bright pink is a playful accessory for this spring. The rectangular shape is easy to accomplish and stabilize by stiff cotton lining inside. The special accent comes from

the circular pattern of stringed bead rings that are stitched on top. Create your individual and stylish interpretation of a flowerbed ...

COMFORT COMPANION

This day-to-evening handbag is a welcome companion to stuff in your personal belongings for any leisure activity. It is knitted of cream coloured cotton yarn mixed with a light pink thread – a perfect match for spring. Its waving border is decorated with

clusters of Crystal Pearls and Beads by CRYSTALLIZED™ – Swarovski Elements. The closure turns to be a special eye catcher: a beaded drawstring with crystal bundled ends falls ravishingly like a flower.

PALE YOUNG ROSES

The togetherness of magnificent design and the nearly monochrome use of pale pinks with a bit of bright red capture your scale of temper. The necklace you wear to symbolize the new openness of the senses

is created with knotted silk and organza scarves. A stylized rose created from wire arches with CRYSTALLIZED™ Beads builds the center.

SPRINGTIME HOLIDAY

The tradition of using eggs has been associated with Easter for centuries. This year Easter eggs embellished with CRYSTALLIZED™ – Swarovski Elements are the symbols of new life dangling from

delicate crystal loops. The tan is created naturally: the bright sunny yellow colour is achieved by boiling the eggs with onion skin.

YELLOW EASTER

In the very ancient origin rabbits gave birth in the early spring and therefore became symbols of fertility. Pick up this spring spirit and tradition and decorate your coffee table with origami folded Easter

bunnies in bright sunny yellow with sparkling ears and noses made with CRYSTALLIZED™ – Swarovski Elements.
