CREATE YOUR STYLE Design Project

Halloween Invitation Card & Mask “Spooky Party”

- STEP 1: Fold the cardboard in the middle as illustrated for the card.
- STEP 2: Print out the pattern, cut it out and put double sided tape on backside of pattern.
- STEP 3: Attach it to the cardboard to create a stencil (not onto card!). Cut out pattern and punch the three holes with the punching pliers as illustrated.
- STEP 4: Lay the stencil onto the card and draw the outline of the stencil with a white pencil onto the card.
- STEP 5: Attach the Flat Back No Hotfix art. 2072 from the SWAROVSKI ELEMENTS assortment with glue and tweezers as shown in illustration onto the card.
- STEP 6: Take the Swarovski Crystal-its art. 75011 and cut off five rows. Glue the SWAROVSKI ELEMENTS onto the card separating them from the protective foil as shown in illustration.
- STEP 7: Punch the two holes into the card with the punching pliers as shown in illustration.
- STEP 8: Cut off 70 cm of the 3 mm ribbon satin and thread it through the hole knotting it as shown in illustration.
- STEP 9: Cut 50 cm of the 3 mm ribbon satin and tie a knot. Thread the ribbon through the punched hole from back side as illustrated.
- STEP 10: Tie a bow with both ribbon ends. Send the party invitation card to your quests and they just have to cut it out and then they can use it as a mask for the party.
